1960 ROSEMARY

To the Class of 1960

Greetings and congratulations to you who will graduate in June from Urbana High School. I can assure you that this is a privilege, and I can promise you that as time goes on you will value it even more highly than you do now. You have made lifelong friends during these four years. I know, because I did. I have just been looking over the Commencement Number of the Thornburn Thistle, published in June, 1910, when sixty of us graduated from another building than the big one with which you are so well acquainted. Our pictures are all here, and I have been struck by the fact that none of them is strange. After fifty years, every one of my classmates is familiar to me, though many of them I have not seen since that day. I might not recognize them easily if I met them now, but forty of them—I have counted—I think I would; and ten of them are still among my best friends whom I see or hear from regularly.

I may be lucky because this is true, but if so, I wish you the same luck. There is something about a fine high school like yours and mine that brings its members singularly close together, both as students and as persons. I recommend that you continue in that closeness, and cultivate as you grow older the memory of your classmates. The very motto of the Rosemary is remembrance. And then too I recall how some of us in 1910 decided that a line of Virgil perfectly fitted our case. Forsan et haec olim meminisse iuvabit. "Perhaps some day it will be pleasant to remember these things."

Dedication

To Miss Marie Bauer: Urbana High School students owe you the deepest debt of gratitude for your long, untiring service and unselfish devotion in successfully executing the A.F.S. program. Your boundless energy and sincere willingness enable us to learn the fundamentals of mathematics; your influence and drive has encouraged many students to enter your profession, teaching. To you, the class of 1960 gratefully dedicates the 50th Rosemary.

Fifty years ago Urbana High School students were doing the Maxie, the Hesitation, the Charleston, and the Blackbottom. Today, the Stroll, the Cha-Cha, the Bandstand, and the Bop have replaced those dances of yesteryear.

One of the highlights of our four years at Urbana High School is the fun we've had at the Tigers' Den, one of the most efficient student-governed youth centers in Illinois. The Prom, stunt shows, homecoming, and Class Night are only a few of the "highlights" which will remain in our memories of Urbana High.

The Rosemary Presents . . .

Jan St. Clair

on the basis of her poise, personality, and popularity, was chosen "Miss Rosemary" of 1960. She was crowned at the annual Christmas, "Blue Angel Ball."

HOMECOMING

The Coveted crown of Homecoming Queen for 1959 was worn by Miss Linda Lincicome. She was crowned by Roger Ebert, senior class president, during the half time ceremonies of the homecoming game. The queen's attendants were Miss Kay Perry, junior, Miss Diane McGill, sophomore, and Miss Maribeth Meade, freshman.

Taking part in the fourth annual parade were the queen's attendants and the school administrators riding in convertibles, four class floats, our marching band, majorettes, cheerleaders, various decorated cars, and the marching band and majorettes from Lincoln, our opponent.

General chairmen of the event were Joanne Petty and Ed Thompson. Float chairmen were Nancy Smith, Chris Hastings, and Jim Beatty, seniors; Joann Meyers, Betsy Lyman, and Dick Thornes, juniors; Diane McGill, Nancy Risser, and Charles Roderick, sophomores; Bonnie Adams, Nancy Booth, and Tom Freebairn, freshmen.

The exciting week end was climaxed by the homecoming dance after the game in the high school gymnasium. Students danced to the music of the UHS dance band.

AFS

The student council sponsored the American Field Service project for the third consecutive year. Dilys Morris was the general chairman of AFS.

In an October assembly, Jan St. Clair, who spent the summer in Germany under the AFS program, gave a talk and showed slides of her trip. Osamu (Sam) Osaki, who spent the current year as an AFS student at UHS, was formally introduced to his classmates.

Many fund raising projects were necessary to finance the program. The "kick-off" project, the auction, netted \$460. J. Dan Stirewalt and Roger Ebert emceed the auction.

Seven hundred dollars was earned by the Urbana High students who went from door to door selling AFS chocolate bars. The remainder of the money was earned by donations, a car wash, and a Hard Times Dance at the Tigers' Den.

Osamu Osaki, the second foreign student to attend Urbana High School under the AFS program, came from Tottori, Japan. Sam's host family was the Karl Wallaces whose son Pete was a junior at UHS.

Sam, an integral part of the UHS swimming team, was presented a letter sweater by Mr. Robert Waller's seventh hour social studies class after making a guest appearance in their class.

Sam's shy smile and his friendly manner will be remembered by everyone for years to come.

STAGE SHOW 1960

As the curtain rose on Stage Show 1960, many months of hard work and preparation came to a climax. Centered around the UHS Dance Band under the direction of Elton Curry, UJHS Band Director, Stage Show featured the best of Urbana High School's musical talent.

The Stage Show coordinators were Elton Curry, Daniel Perrino, James Partridge, Eugene Adam

and Robert Schaeffer of the Music Extension at the U of I arranged the numbers for the Dance Band. Mrs. Harlan Wiley and her daughter, Toby, were in charge of choreography.

Many old favorites were presented along with rock and roll songs, Modern Jazz numbers, and hits from stage shows.

The telephone is a teen-ager's closest friend. Urbana High School students spend many hours talking on the telephone. The day's activities are discussed, plans are made, and secrets are shared over the telephone. Today, it is possible to dial many places in the United States within the convenience of your own home.

At Urbana High there is an extra-curricular activity for everyone. Swimming, student government, dramatics and language clubs are only a few of the clubs which students may join. These clubs give everyone a chance to excel in something. Friends are made, and new interests and talents are discovered.

STUDENT COUNCIL

STUDENT COUNCIL OFFICERS

Each of Urbana's homerooms through council representatives has a voice in school government. As a result of the efforts of the council, the viewpoints of the students and administration are brought together.

The Student Council began their busy year with the Freshmen Orientation Day. Here "frosh" received TIGG, a booklet with information on Urbana High. Later on the Student Council sponsored a club orientation day to get freshmen interested in the clubs of U.H.S.

The Student Council sponsored two school dances; the "Blue Angel Ball" at Christmas, and the vice versa dance, in February, "King and I."

The council is very active in the Tri-Hi Council. Members represent all of the Student Councils in Urbana-Champaign. The Tri-Hi Council sponsored the Tri-Hi dance, "Southern Fantasy"

at Champaign High School, November 7. The group held a workday to help several local welfare organizations.

The Student Council handled the election of class officers, the county guidance conference, the hall monitor system, student I.D. cards, and the maintenance of the student lounge, as well as other numerous smaller projects.

President-elect, Lansing Johansen, and Kathy Hansen were sent as delegates to the state convention at Chicago. Nancy Russell was a discussion leader at the convention. This summer vice-president elect, Kathy Flanigan, is going to the National Student Council Convention at Janesville, Wisconsin, as a discussion leader.

Behind all the fun and frivolity is a seriousness and a realization that being elected to council is a great responsibility to the student body.

Jan St. Clair was crowned Rosemary Queen

at the Christmas dance. The UHS gymnasium was decorated in colors of Blue and White. The Rosemary editors and their staff were co-sponsors of the dance.

Mrs. Carol LeSeure was for the second year the Rosemary sponsor. Under her helpful guidance, the Rosemary had another successful year.

The Tiger's Den, open from 7:30 to 11:00 every Friday and Saturday evening, provides a place for dancing, playing ping-pong, watching television, and just plain fun and relaxation.

The Den, located in the Community Building in downtown Urbana, is advised by Oscar Adams, Den Sponsor, who is assisted by an adult council. In addition, a youth council composed of seven students elected from each class helps to run the Den.

Membership in the Den is obtained by purchasing a twenty-five cent membership card at the beginning of each semester. There is an

additional admission charge of ten cents for each evening spent at the Den. For non-members, the admission charge is twenty-five cents.

In addition to two Hard Times Dances, the Den held five major dances during the year: the Freshman Welcome Dance, the Thanksgiving Dance, the Holiday Dance, the Valentine Dance, and the dance after graduation honoring the seniors. The UHS Dance Band played at three of these dances.

For the first time this year the Den Council put out a pamphlet telling about the Den and its activities for newcomers to Urbana High.

Division Editors

Mary V. Bowman, News Editor; Lee Radebaugh, Sports Editor; Pat Scott, Feature Editor.

In spite of being a 1959 Quill and Scroll International First Place Award Winner, the staff of this year's Echo set out to improve the paper by making many major changes.

The regular feature "Senior Celebs" was dropped in favor of "By the Way," a feature designed to recognize students who have done outstanding work in various activities. More news features were added, and emphasis was

put on close-ups of people and activities. Several vigorous news campaigns were carried on against such things as cheating and stealing. This year's Echo had its own staff of photographers. More pictures and varied layouts were used.

Potentiality and dependability were the basis of judging tryouts for positions as reporters on the staff of this year's Echo.

Quill and Scroll

Quill and Scroll is the International Honorary Society for high school journalists which encourages and rewards students for individual achievement in journalism. Only juniors and seniors who have done outstanding work on either Rosemary or Echo are eligible for mem-

bership. A member must be in the upper third of his class in scholastic standing, recommended by the supervisor or committee controlling publications and approved by the secretary-treasurer of the society. Members receive a Quill and Scroll pin for their journalistic accomplishments.

Latin Club

This year the Latin Club tried to further the interest of its members in ancient Rome.

At the first meeting of old members only, a new Constitution, written by Mary V. Bowman, Hilda Weeks, and Anne Creamer, was presented. The new officers were also elected.

All first-year Latin students who attended the next meeting were auctioned off to old members who sponsored them during initiation.

First year Latin students were initiated at the Roman Banquet February 8. They came in costume according to the Roman classes.

This year the Maternalia or Mother's Tea was held for the first time. The annual Latin Club picnic, the final get-together for the members this year, was at the home of Mrs. Robins, one of the Club sponsors. Mrs. Dobbins is the other Latin Club sponsor.

Spanish Club

The formal initiation ceremony was the first big program of the year for "El Pasatiempo." After the program there was a potluck dinner and a Spanish program presented by the initiates.

The International Banquet in March was attended by many of the members. Henrique Calle sang two Spanish songs and Brigett Wyn-

coop entertained everyone with two Spanish dances. The evening concluded with the breaking of the pinata.

The "Tigerectory," the club's money-making project, was completed under the direction of Sandra Anderson, Chairman, and with the help of Mrs. Martin and her typists.

French Club

The first meeting of Phi Kappa Kappa was the initiation of the new members. Twenty members were initiated. Many of the members attended the International Banquet which was in

March. A picnic climaxed the year's activities. The club members sold two thousand pencils to help defray the costs of the club. Mrs. Stravinsky and Mrs. Burgett are sponsors of the club.

Delta Sigma and Thespians

Delta Sigma and Thespians, the two dramatic societies at Urbana High School, meet jointly and have the same officers. Five points are required for membership in Delta Sigma which may be earned by appearing in a show or by working on production committees. The purpose of the two clubs is to make dramatics a more active part of UHS in order that the students may appreciate various types of drama.

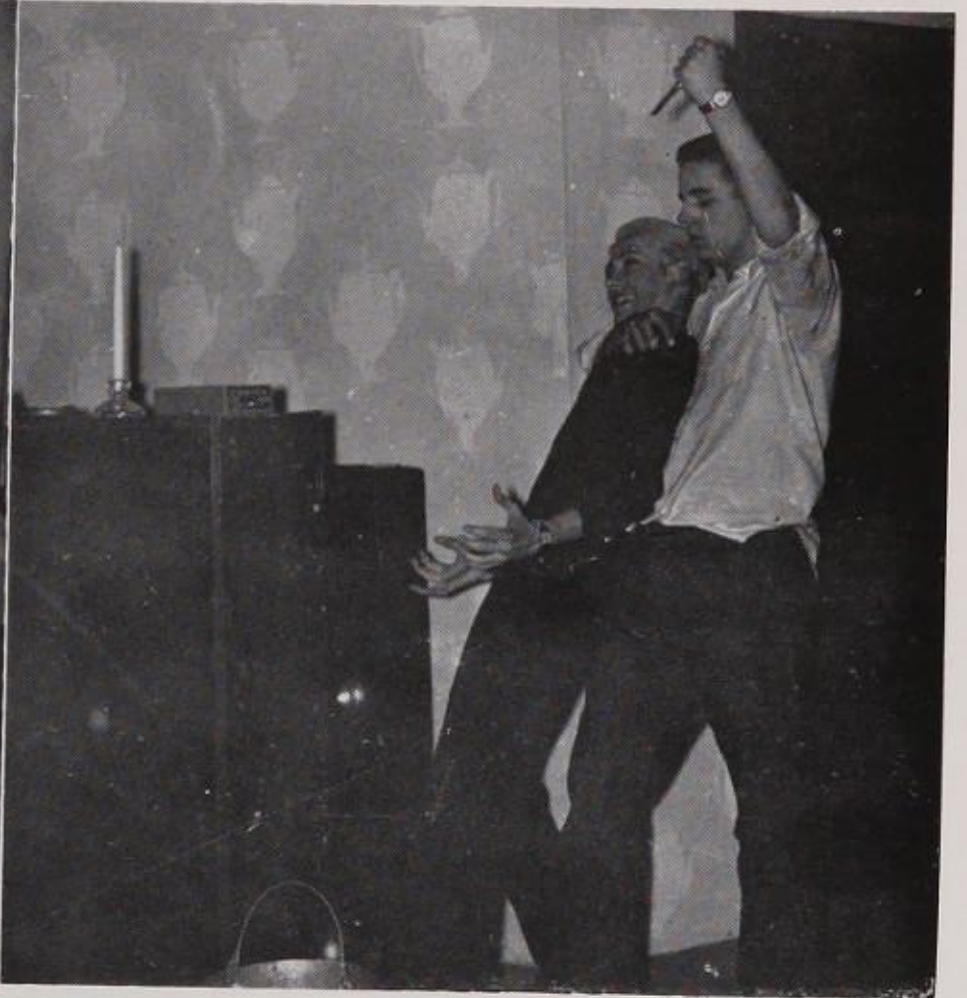

The goal of every drama-minded student at UHS is to attain membership in the National Thespian Society. Membership into this organization is obtained by earning at least 12 points.

The highlight of the year was the spring trip to Chicago by train to see "Redhead." Mrs. Sally Larson, a new teacher at UHS this year, was the club's advisor.

Story of Antigone

The ancient Greek Tragedy, *Antigone*, involves two sons and two daughters of mother-loving Oedipus, lately departed King of Thebes, and his brother-in-law, Creon, who has now become king. The two brothers have had a civil war and have killed each other, and Creon, full of righteousness and edicts, has ordained that one

of the brothers be left unburied—carrion for dogs and vultures. Antigone, a sister, defies the edict, heaps earth upon the dishonored corpse, and is buried alive for punishment. This sets off a chain of suicides which rocks old Creon to his base.

Terrapin

Try-outs for Terrapin were held in the middle of October. The initiation for the eight girls who passed the requirements for the Club were held October 22. The ceremony was informal with a chili supper and a swim afterwards.

The Club, sponsored by Mrs. Susan Saunders, girls physical education teacher, tries to bring together the outstanding water ballet swimmers at UHS.

In the spring, the girls put on their annual aquatic show, "The Lost Legend" on April 4, 5, 6, and 7. The girls were divided up into committees to write scripts and to make their costumes. Each member was in at least two numbers.

Every Tuesday the girls, under the leadership of President Gayle Longest, held practices after school to prepare for their show.

Many hours were spent by the Orchesis members learning the fundamental steps, falls, leaps, and jumps of modern dance. By practicing every Tuesday night after school, the girls learned various modern dances. In May the club put on a show which consisted of eight numbers. The members did all of the choreography and designed their own costumes.

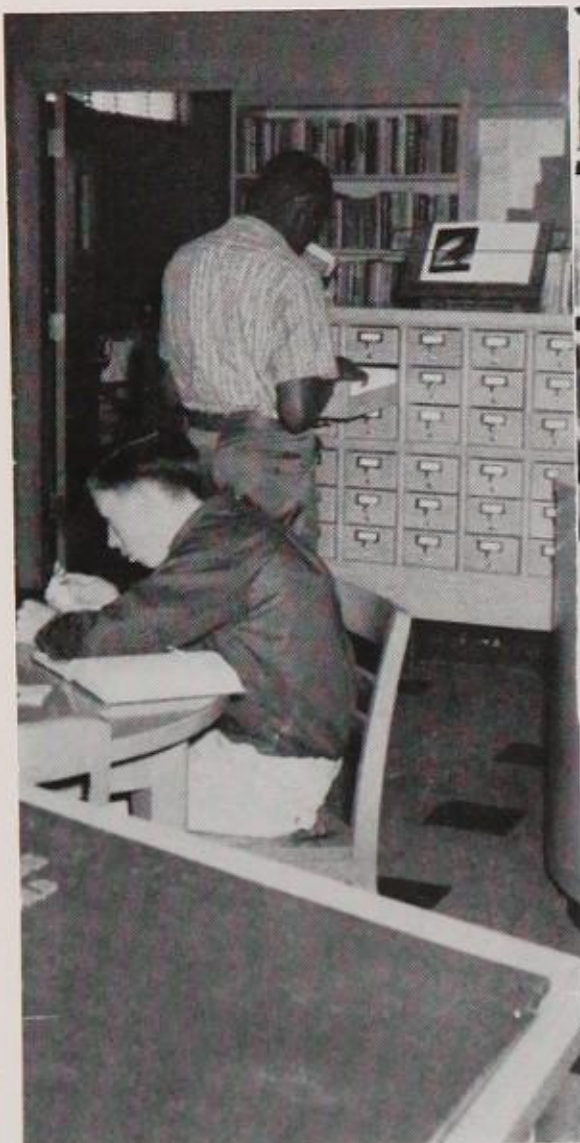

The club had a bake sale in the winter to raise money for their banquet in the spring. Mrs. Schueler was the sponsor of Orchesis.

The UHS Chapter of FHA is one of the many chapters of the national organization. The purpose of the club is to prepare the high school girls in the extensive field of homemaking. At UHS Mrs. Hazel Hasty is the club advisor.

At the beginning of the year the new members were welcomed at the Freshman Welcome Party. Later in the fall there was a rally of all the FHA organizations in Section 16 at the University of Illinois. Phyllis Frazier, UHS senior, served as vice-president of public relations of Section 16.

A special assembly program titled "Sweeten Your Life With Home Economics" was presented by the club.

Encouraging and informing young aspirants to the teaching profession is the goal of the Future Teachers of America Club which is sponsored by Miss Marie Bauer.

Excellent speakers addressed the club members on various aspects of teaching through the year.

To climax their study, the senior members of the club were able to be cadet teachers in the spring. This cadet teaching helps them to

decide which level to teach and gives them a glimpse at their intended future.

The District Convention was at UHS this year. During National Education Week a Faculty Tea was given honoring the teachers at UHS. As a Christmas project, special favors were made for the children at Carle Hospital. Scrapbooks were made by the members for mentally retarded children to enjoy.

Many of the members were those interested in art but unable to fit it into their schedules.

The artists drew, painted, sketched, made figurines, and worked on woodburning projects.

One of the most popular projects was jewelry making. Some members used silver and semi-precious jewels which they had ordered.

In May the Art Club members had a sketching party followed by a picnic which concluded the year's activities.

The S.K. sponsored several hops after the football games in the gymnasium. The Victory Dance after the Homecoming game with Lincoln

was also sponsored by the S.K. The UHS Dance Band played for the dance.

At Christmas the club members decorated a Christmas tree at the main entrance of UHS. In May the club's social activities ended with the farewell breakfast in honor of the senior girls who were S.K. members.

Miss Fisher, the dean of girls, was the sponsor of S.K., the club with the largest membership of any club at Urbana High School.

"U" Club

"No Girls Allowed" is the motto that could be placed on the door of the room where the "U" Club meets. To be a member of this organization, a boy must have earned a letter either by active participation in a school sport, or by acting as manager of a team. To win this coveted "U" requires long hours of hard work.

In this club boys from all athletic activities

form one unit to maintain the highest possible standard of athletic competition and to promote better relationships between the athletes and coaches.

May 14 the motto was discarded, if only for the evening. This was the night of the annual "U" Club dance. The formal initiation of new members was held in conjunction with the dance.

Diversified Occupations

Diversified Occupations is co-operative part-time vocational training open only to juniors and seniors. After taking preference and aptitude tests, the applicants are interviewed and counseled by the D.O. co-ordinator. Then the students are carefully placed in jobs according to the results of the tests for a minimum of three hours a day. Each student also receives one hour of related classroom instruction daily. Until completion of training, students are paid beginner's wages. Mr. McAllister is in charge of the organization.

F. F. A.

Future Farmers of America is the organization for boys who are interested in farming and in taking vocational agriculture in high school. The boys raise crops and livestock for projects besides carrying out experiments on special plots of land. The boys take part in various agricultural contests which are held during the year. The boys belong to the Champaign FFA Chapter which is sponsored by Mr. J. Arthur Twardock.

One of the best Music Departments in the state is that of Urbana High School. Under the capable direction of four instructors, Urbana's students are taught how to play music and how to develop an understanding and appreciation of this wonderful language of sound.

The Music Department at Urbana High School has grown from the Boys' and the Girls' Glee Club of fifty years ago into an organization of over four hundred students. Band, orchestra, or chorus may be taken by any student.

This year at State Music Contest, Urbana was awarded the Sweepstakes Trophy for accumulating 243 points in the AA Division. Urbana is proud of the reputation which the Music Department, through many hours of hard work, has established for itself.

The Urbana High School's Concert band and its components had a full and successful year. The resignation of Mr. D. J. Perrino was a handicap for state music contest, but the able directing of Mr. Robert Jorgensen easily surmounted this handicap. The varsity band under the direction of Mr. Bradkey has shown increasing degrees of improvement. Mike Russell was the student director of the fabulous UHS Dance Band which played for several dances and made a spectacular showing at stage show.

ORCHESTRA

The youngest member of Urbana's Music family is the orchestra under the direction of the guitar strumming Mr. Adam. For the second consecutive time the orchestra received a superior rating at State Music Contest, thus adding to Urbana's 243 sweepstake's points. Mr. Adam and all the orchestra members deserve a hand for the tremendous improvement that the orchestra has made in the past two years.

CHORAL GROUPS

Some of the best vocalists in the state of Illinois are contained in one or more of Urbana High's Choral groups. The A Cappella Choir, Boy's Chorus, Girl's Chorus, and Madrigals all contributed superior ratings at State Music Contest this year. The directing and rehearsing of all of these groups was done by Mr. James Partridge. The choral groups have given many special programs

this year for clubs and various organizations. Not only have the ensembles done exceedingly well this year but the vocal music department has been blessed with a great number of outstanding soloists, who have all done their part in making this one of the most successful years in Urbana's Music History.

1910

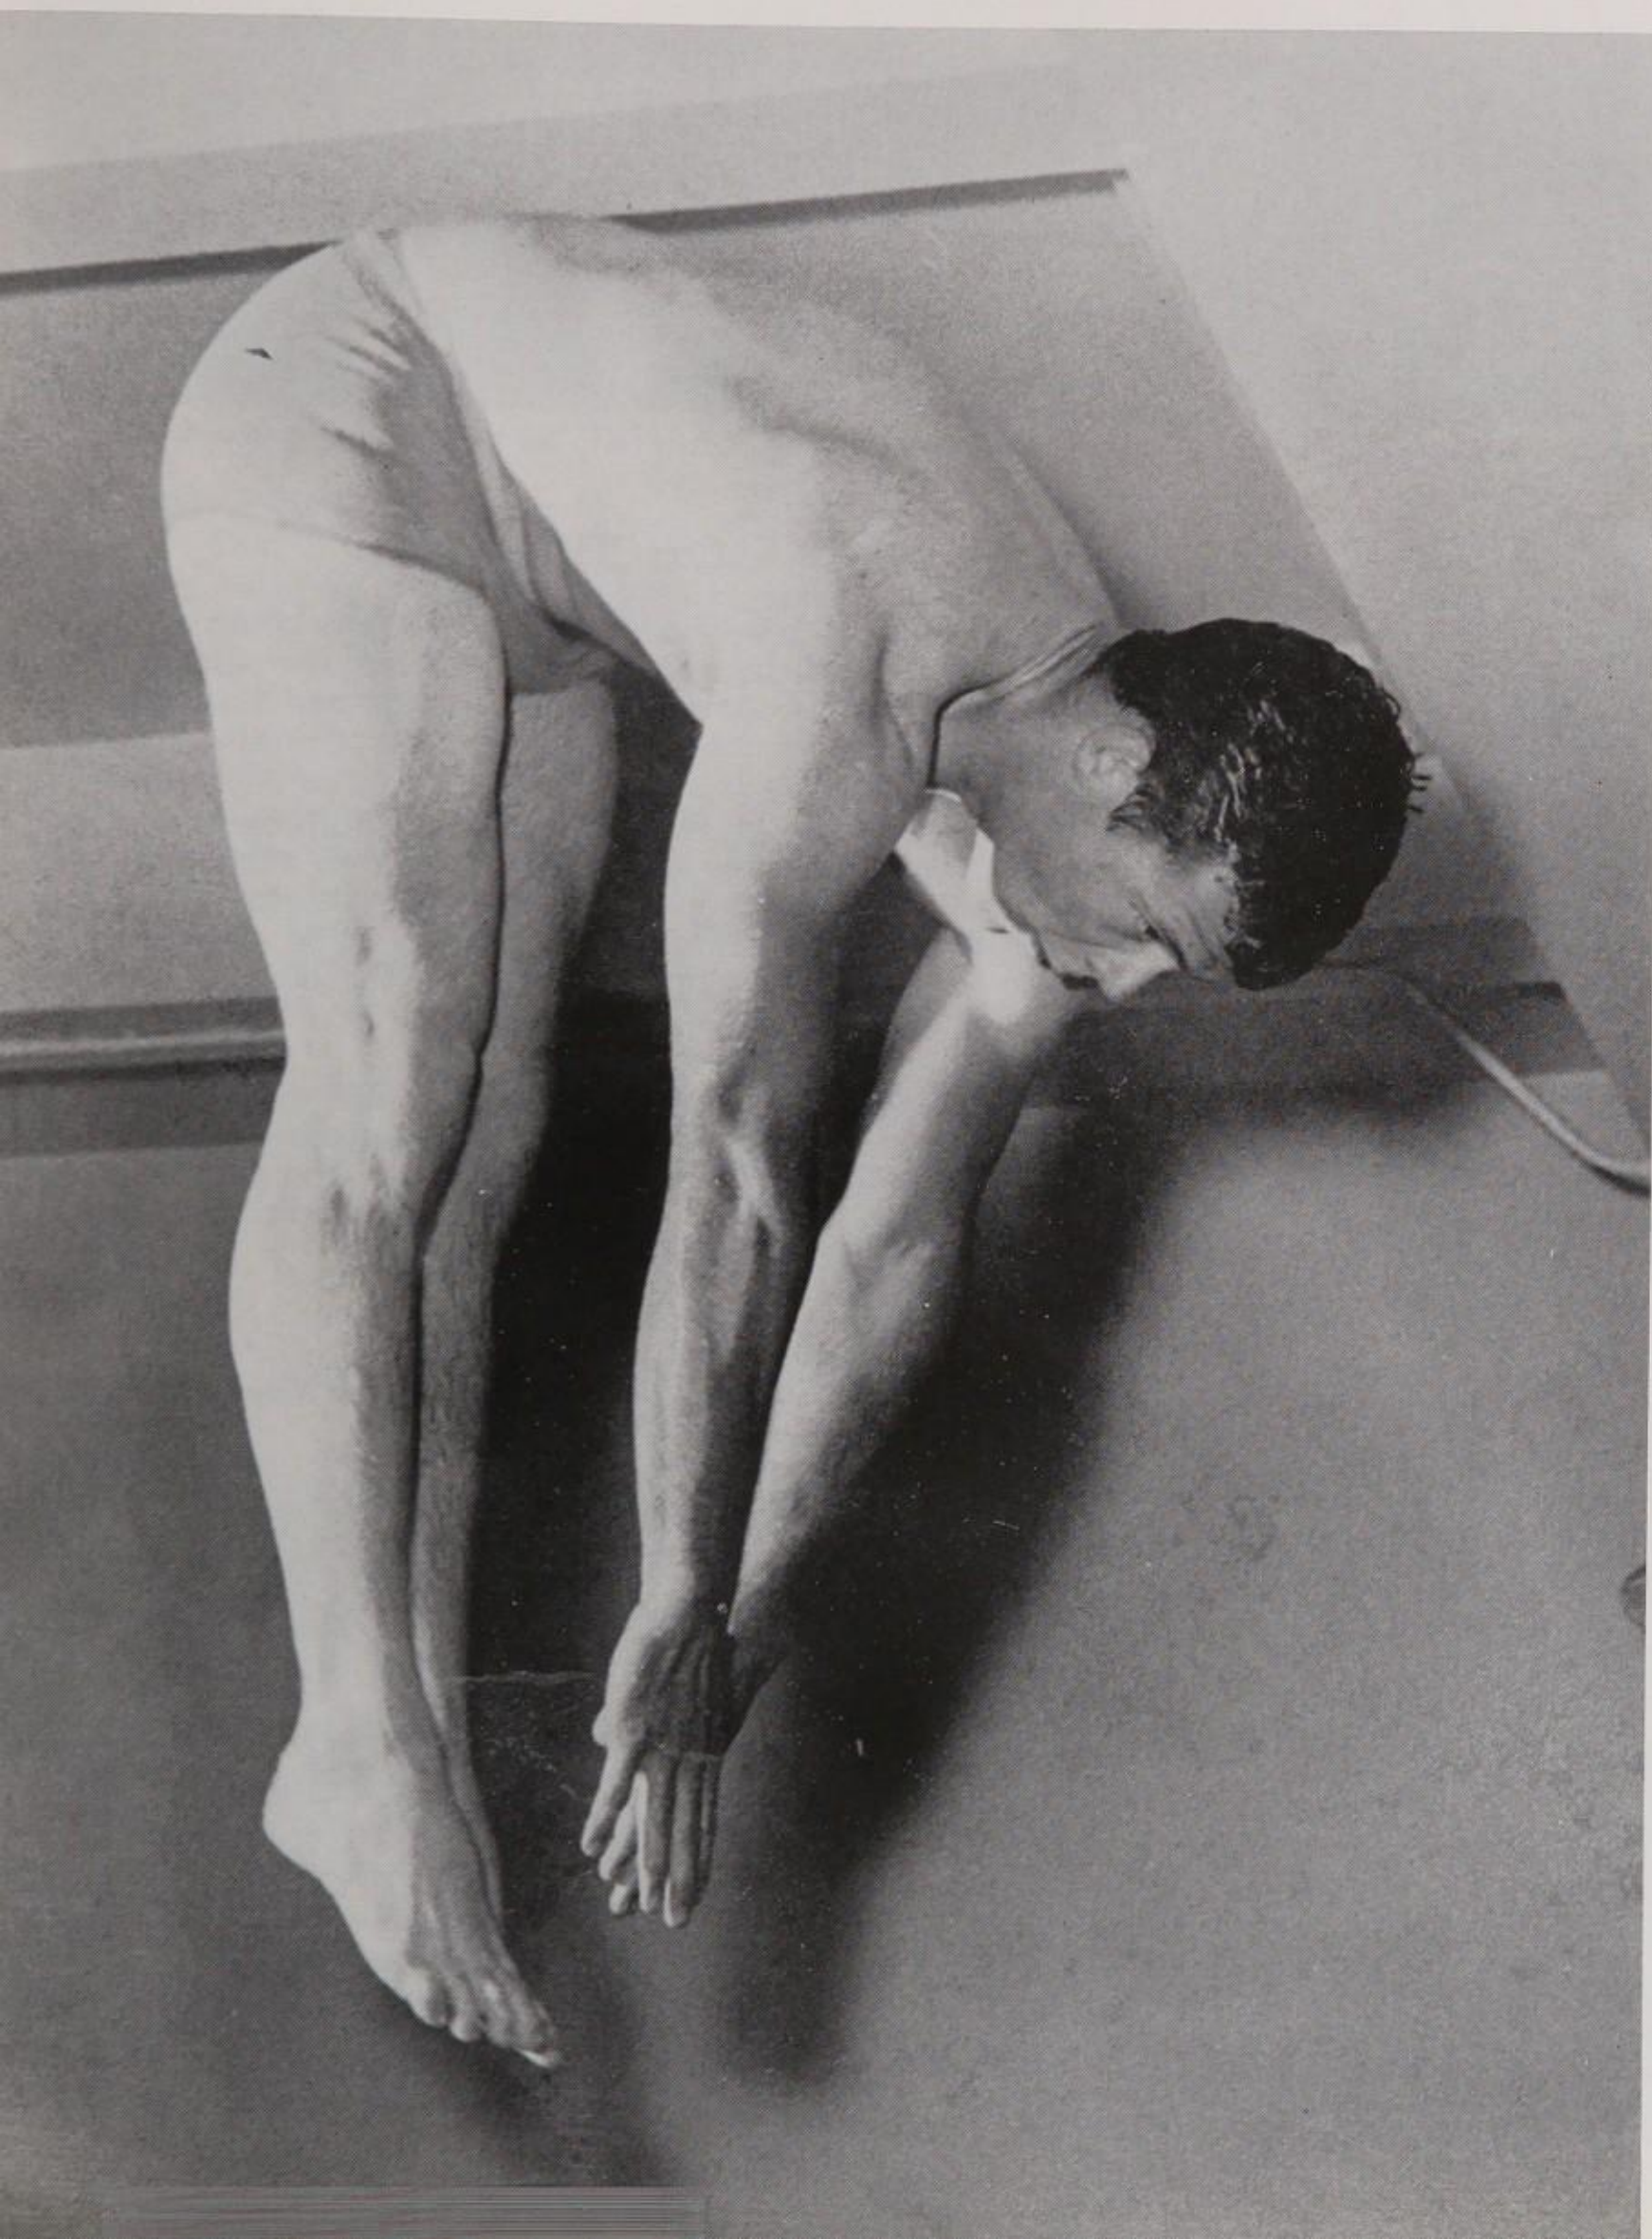

S P O R T S

Fifty years ago the Urbana High School football team had a smashing victory over Champaign of 33-0. Ironically, this year, just fifty years later, the UHS football team defeated arch-rival Champaign by the identical score.

Our athletic department has expanded tremendously in the last fifty years. Today Urbana High School offers cross-country, football, basketball, wrestling, swimming, track, and golf. In 1910 there were only three athletic teams organized: football, track and baseball.

Our athletic teams are recognized throughout the state for being of championship caliber both in sportsmanship and skill. This reputation took many years to establish.

Coaches

The Urbana athletic teams had a fine year due to a terrific coaching staff. Football came first, and Coach Smith led us to a Big Twelve championship. When he became ill, Coach Adams and Coach Leinenweber stepped in and came through with a smashing victory over Champaign.

In the winter sports, Coach Adams, the new head basketball coach, led his young team to a fine season record. The new sophomore cage coach, Gene Talbot, who came in the middle of the season, did a commendable job in the short time that he had to work with the boys. Wrestling also inaugurated a new coach, Don DeTaye. The swimming coach, Richard Thompson, formed a very powerful team that came in second in the conference.

Spring sports came last, and those teams had their usual good seasons. Coach Armer came up with another depth-laden track team. The cindermen copped most of their major meets. The golf team with Coach Adams posted several strong victories for a fitting climax.

FOOTBALL

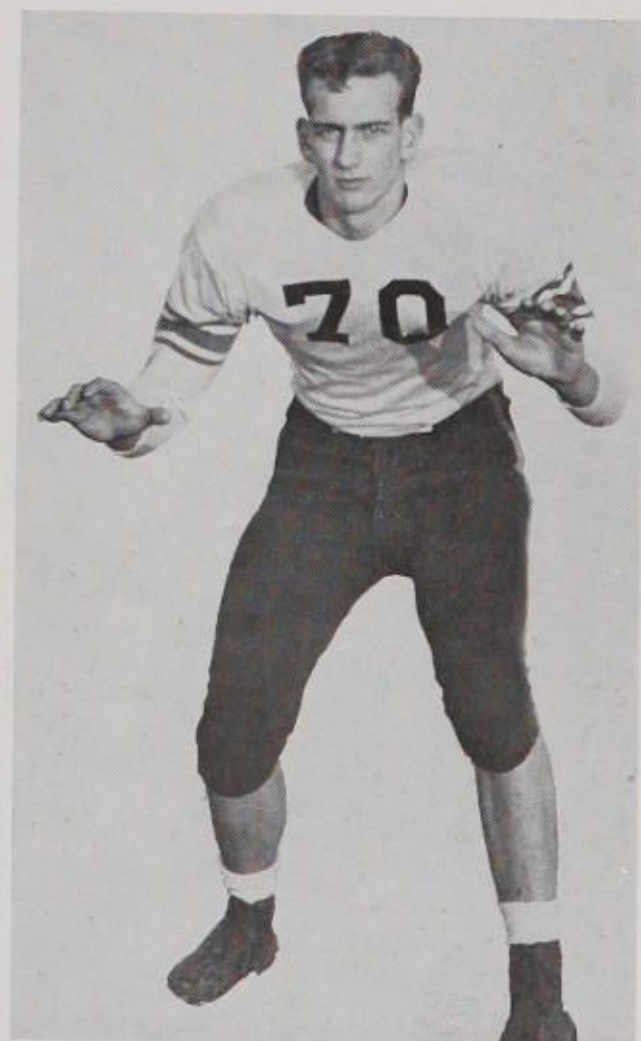

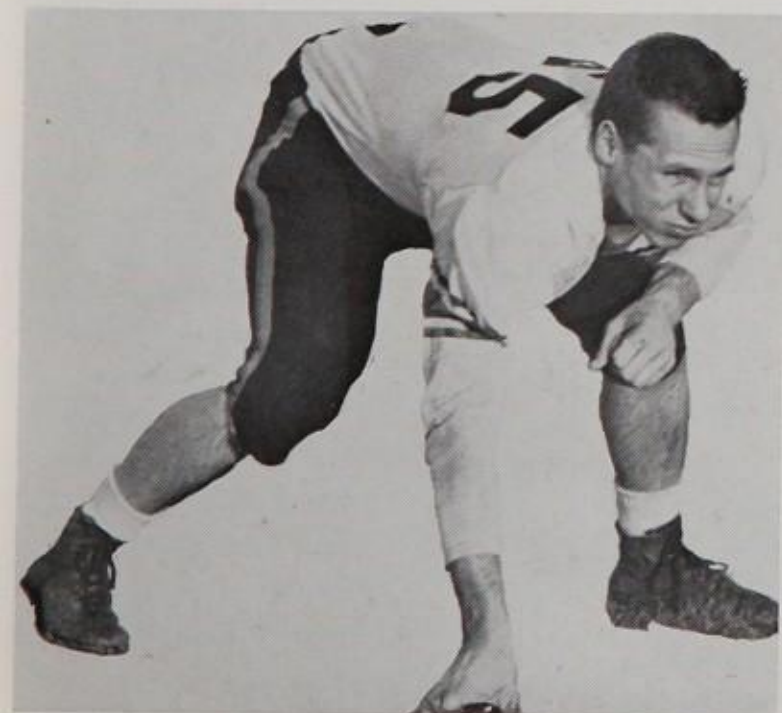

The '59 gridiron team, coached by Warren Smith and co-captained by Carl Hovde and Bill Ostema had five outstanding qualities—power, speed, talent, spirit, and determination. At the end of the year, with an 8-1 overall record, the Tigers were rated fifth in the state. For the first time since 1942 Urbana captured the undisputed Big 12 crown with a 5-0 Conference record. This mighty gridgers plowed through turf, snow, and seas of mud to bury their opponents. At the end of the season, Nick Boysaw and Chet Keller were selected as members of the All-State team. Coach Smith collapsed after the Mattoon game, and was in bed the remainder of the season, but the drive and spirit kept rising for the final explosion—Champaign. The team dedicated this game to Smitty, and under the coaching of Bill Leinenweber and Oscar Adams they achieved revenge for last year by smearing Champaign High School 33-0 in what was described as the "Mud Bowl!" Never has there been a muddier, icier, happier team than this. And never has there been a happier coach than Smitty.

Most Valuable Player Award

At the fall sports banquet, Chet Keller was selected Outstanding Lineman of the year and was presented with the Pittman Award.

At this same banquet, Dave Mackey was given the award for the Most Valuable Player as a result of his excellent playing in the backfield.

CROSS COUNTRY

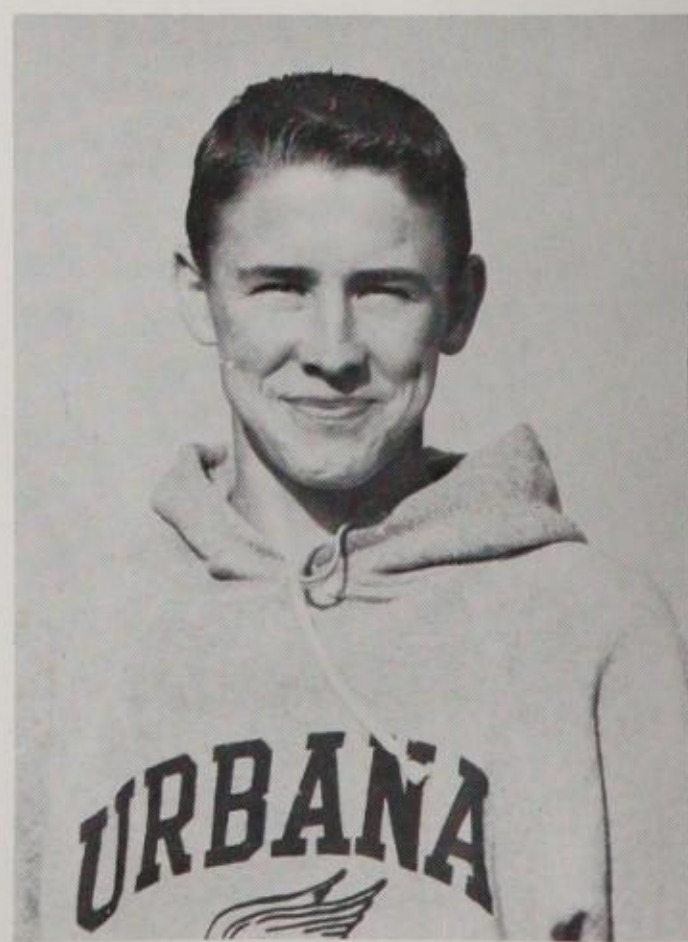

The 1959-60 season was a good one as far as the UHS harriers are concerned. With only three returning lettermen, they swept the Conference and District meets, recorded a 9-1 record for dual and triangular meets, and took 7th in the state. Only one loss was incurred throughout the season, in a triangular meet with Champaign and Lincoln.

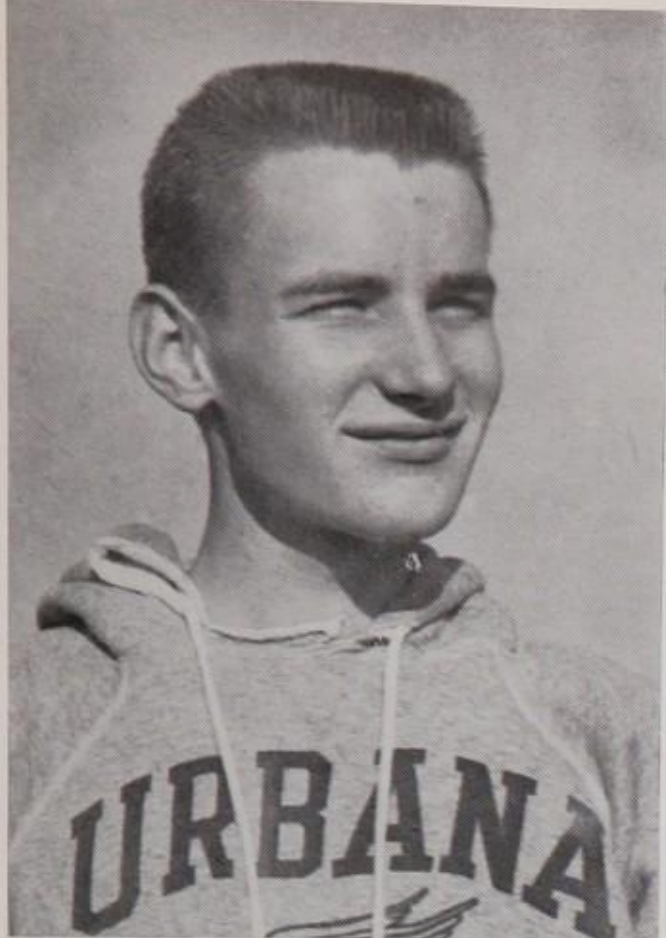

In three successive years of dual meets, the respective teams have not lost a single dual meet. This is a standing record set by Coach Armer's harriers, which they hope will remain unbroken in the years to come. With only three lettermen graduating, another fine season is in sight for next year.

BASKETBALL

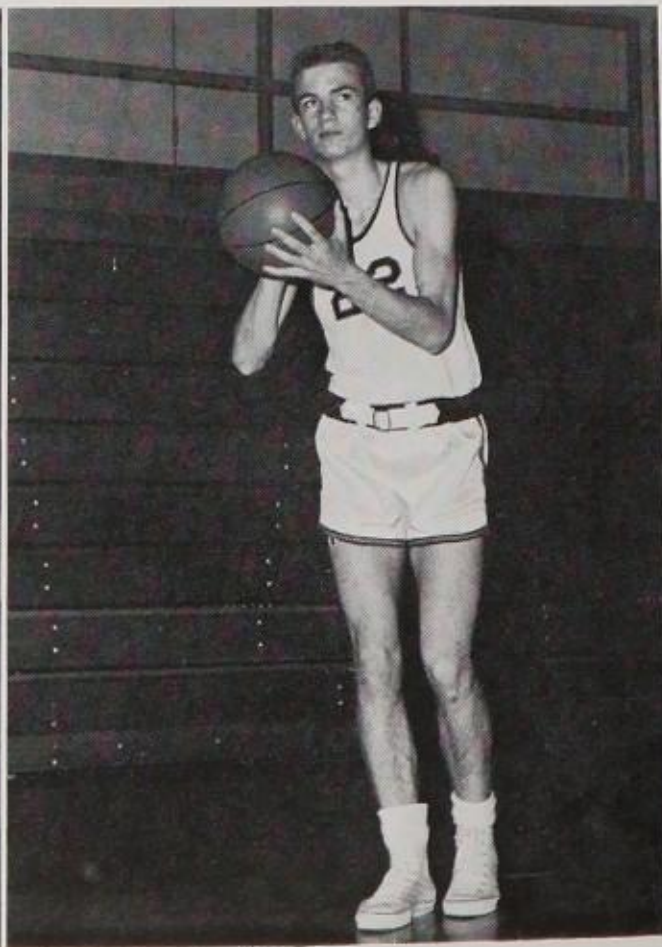

The Urbana Basketball Team had a fine season under its new head coach, Oscar Adams. Oscar, a favorite around Urbana High School for many years, had a wonderful first year, winning nine games, and dropping sixteen. Captain J. Dan Stirewalt, unable to play because of a football injury, helped Coach Adams with the drilling of the players.

Some talented underclassmen are coming up, and these added to the juniors, who composed the greater part of this year's squad, should unite to form a winning combination for next year's team.

SWIMMING

Coach Dick Thompson's "Tiger Tankers" captained by Chet Keller splashed out the greatest swimming season in Urbana's history and finished the season with an impressive 6-2 record. The year got off to a flying start as they drowned Champaign in our own pool 61-25, and ended at New Trier where Urbana competed in the state meet. In this, the fastest U. S. high school swim meet ever, Urbana pulled a tenth in the 200-yd. Medley Relay.

In between, the team smashed 4 pool records and 7 school records. The medley relay team brought the UHS pool record down to 1:26.6 sec. in a still disputed heartbreaker with Bloomington. For the first time in years Urbana placed second in the Big 12 meet in Huff gym, with 32 points to Bloomington's 51. Yes, this really was Urbana's year, but from looking at the "tankers" coming up, it should be just the beginning. Next year's captain is Don Thorne.

Five seniors, Tom Olson, Jack Fincham, Carl Hovde, Bob Matthews, and Captain John Rasmussen, lost out in the State tournament competition. TRACK

The Urbana Track Team, having great depth in several events, had a highly successful season. The cindermen were especially strong in the hurdles and relays. After making a fine showing at Oak Park Relays, the Tigers traveled south the next week and copped the Paris Relays. After a loss to Danville by one and one sixth point three days later, the trackmen won at Eisenhower, the following week they took the Urbana Open, then the Normal Relays. The next meet was with Champaign, and the cindermen demonstrated their terrific power by trouncing them by a score of seventy-seven and one half to forty and one half, taking eleven of fourteen events. The trackmen won their third major track title at Shelbyville a few days later. This concluded the preliminaries for the District, State and Big Twelve Conference meets.

GOLF TEAM

Urbana's golfers, defending Big 12 and District champs, could repeat last year's titles. The team took fourth in the State meet last spring with nearly the same lineup. This year's group is rated among the top contenders for the 1960 State Championship. Although hampered by darkness and bad weather, the team has so far maintained their schedule of dual meets.

Today, unlike students of fifty years ago, many Urbana High School students drive their own cars to school. Two new parking lots have helped to eliminate the parking problems at Urbana High.

Our four years at Urbana High School have been ones of discovery and growth as we moved from adolescence into adult society. During this time

Urbana High School has grown with us. The increase in students and facilities has brought many changes—new activities, new courses, new responsibilities, and new problems.

Although we now leave Urbana High School, a part of us will always remain here. In memory we will often walk through these corridors which echoed the friendly clamor of our companions.

SENIOR CLASS

Senior Class Officers

Row 1: J. Dan Stirewalt, treasurer;
Hal Wanless, secretary.

Row 2: Chris Hastings, vice-president;
Roger Ebert, president; Tony Hough, publicity chairman.

As the class of '60 walks across the stage to receive their diplomas, they become the last senior class to graduate from Urbana High as a four-year high school.

Many things stand out in the seniors' minds as they recall their last four years at UHS. Perhaps foremost in their minds is their presentation of a completely different Class Night which they presented this year. Instead of the usual Class Night composed of several completely different acts, this year's Class Night consisted of one closely-knit act centered around the theme "Bye Bye Blackboard."

The final count at class election time showed that officers elected, were, Roger Ebert, President; Chris Hastings, Vice President; Hal Wanless, Secretary; J. Dan Stirewalt, Treasurer; and Tony Hough, Publicity Chairman.

Sam Osaki, Urbana's foreign exchange student from Japan, will be remembered by the seniors for many years to come.

Jan St. Clair, an outstanding member of the class of '60, was the first UHS'er to go abroad under the AFS program. This lucky senior spent an exciting summer in Germany.

The seniors on the football team helped to win the first undisputed Big 12 football championship for Urbana since 1942.

The seniors will remember with pride that they helped to win the coveted Sweepstakes Award in Class AA, the "big school" division for Urbana at the State Music Contest in Centralia this year.

Rhetoric words, the homecoming float, wonderful dances and parties, exciting sports events; all these helped to make their senior year a memorable one for the Class of 1960.

HATCHET ORATION

Full many a legend hath been told
About this hatchet, wondrous old;
Full many a song has found its way
From olden times to the present day.
Telling whence this emblem came;
And every tale has added fame
And interest to its mystic name.
But careful research bared the truth
Of ancient years to the present youth;
And truth is stranger far, you know,
Than all the hectic tales which grow
In fertile minds, or man-made plot—
Imagined tales, with mystery fraught.
But we shall tell you whence 'twas got,
And how it came to Urbana High,
In those olden days, so long gone by.
Before the white man came to dwell
In Champaign County, histories tell,
The wandering tribes of Kickapoo
And Miami Indians lived here, too;
The Pottawatomies set their tent,
And, as the seasons came and went,
Returned to hunt the moose and deer
Abounding on the prairies here.
Before Urbana was a town
They brought their people, settled down
And built their tents near Main and Race
Where Davis' grocery grows apace.
A little further down the hill
There bubbled forth, their thirst to still,
A spring of cold water, clear and cold.
A comfort to these warriors bold.
'Tis near this old historic spot
That C. N. Clark has a business lot.
When first the white man hither came
With thought this Indian land to tame,
The red men of the Kickapoo,
And all the other Indians, too,
Bore keen resentment; then they swore
That they of sleep would have no more
'Til they had driven every man
Of white blood out of this, their land.
The Indian Chief, Chicagou, strove
In vain; the white man throve.
He throve in spite of trials severe.
While every danger hovered near

From every hostile Indian band
Who treachery against him planned
Then when Chicagou saw at last
There was no doubt, the die was cast;
The white men must be made a friend,
The struggles, fighting, all must end
If the tribes of Illinois
Were to live and not to die.
He gathered his chiefs together then
And bade them bring both women and men,
To meet the white man near this spring.
With Indian chant and tom-tom's beat
The ceremony was complete.
They buried a hatchet as a sign of peace;
And promised all their wars to cease.
They kept their word, and as time passed on
Urbana grew to be a town.
The schools were formed; the high school too,
Was added as the system grew.
One day—we do not know the year—
So cannot tell it to you here—
Some senior lads from Urbana High
Stopped at the spring as they passed by
To quench their thirst; one kicked the ground
And heard a hard and ringing sound.
Then they one and all would see
What this amazing thing might be
That, buried beneath the hard earth's crust,
Responded thus to his gentle thrust.
They dug it forth and brought to light
The very hatchet you see tonight—
Chicagou's hatchet, ancient, old,
Whose legend hath just been told.
They made it mascot for their class,
And decided it should onward pass
To each senior class as it came in line;
And so it has, to this very time.
But each class must prove its right to it
By showing forth its power of wit;
In mental contest, strong and bold,
But not with weapons as of old.
The classes meet by proxy; I
From the senior class do cry
A challenge to the junior clan,
Upon this stage to produce their man,
To answer in person for his class,
Before, to them, this hatchet may pass.

Modern classrooms with soft green blackboards, fluorescent lighting, streamlined desks, and cherry colored walls all help to make learning a much easier task.

Our three years as underclassmen are possibly the most important years of our lives. School subjects for the first time may be individually selected, many different types of clubs may be joined, and vistas are unfolded before us.

Studies are pursued diligently, and colleges and vocations are considered. Not only do we change mentally, but many physical, social, emotional, and spiritual changes also take place. The older we become, the more responsibilities are placed upon us. The days remaining until graduation from Urbana High School become fewer and fewer.

JUNIOR CLASS

Junior Class Officers

Row 1: Marsha Rebman, publicity chairman; Nancy Russell, president.

Row 2: Betsy Lyman, vice-president; Kay Perry, treasurer; Pam Stillwell, secretary.

Women have taken over politics! In the junior class that is. Nancy Russell, only girl class president in U. H. S., Betsy Lyman, vice-president; Pam Stillwell, secretary; Kay Perry, treasurer; with Marsha Rebman as publicity chairman comprised the all-girl ticket.

But the junior boys played their part also, posting fine records in basketball, football, and track—proving Urbana will have outstanding teams again next year.

The new upperclassmen, with their shiny, new, gold class rings exhibited much industry and zeal raising money for the Prom this year. There were the usual candy and bake sales—always a big success. Several new ideas were displayed, such

as selling stationery personalized with a sketch of U. H. S. on the front. Also for the Homecoming game, (which we won!) corsages of baby mums were sold.

Being juniors meant quite a lot. More electives were open to them. In English literature the three grotesque witches in Macbeth appeared; the ethereal poetry of Shelley and Keats was studied and found to be inspiring. And for the juniors who worked diligently on grades, there was Psi the scholastic honorary. For one fortunate junior was the thrill of living abroad under the A. F. S. plan.

All in all, this was truly a vivid, busy, fun-filled year for the Class of '61.

SOPHOMORE CLASS

As the class of '62 looks forward to becoming active upper classmen, they can also look back on a very successful first two years at Urbana High.

In the fall the Sophomore Homecoming float, "Lincoln's Gone to Pot" captured first place in the parade.

Many ambitious sophomores also learned how to drive under the instruction of Oscar Adams and Eugene Talbot.

At the end of the year, the sophomores were well on their way towards raising enough money for the prom. Throughout the year industrious students sold baked goods, washed cars, checked coats at basketball games, and provided food at track meets.

Ordering class rings, taking Kudar Preference Tests, copying history notes, studying Julius Caesar, trying out for Echo and Terrapin helped to make their year a memorable one.

FRESHMAN CLASS

Bewitched, bothered, and bewildered! It took a little time for them to get started, but once started, they moved.

The freshman football and basketball teams had a tremendous year. Susie Sexton appeared at all games as the tumbling "Tigg." Other extra-curricular activities were not slighted, however. Student Council, Orchesis, Terrapin, Rosemary, and Echo all had many active and enthusiastic freshman members.

This freshman class was full of lasts and firsts. They were the last freshman class to enter U.H.S. since next year the school will be a three year high school. Among their firsts was the enrollment in several sophomore courses. Many freshmen, and for this we can not call them green, were participating in sophomore English and algebra classes as well as biology. This may have been the last freshman class at Urbana High, but they were first in many ways.

In the last fifty years Urbana High School has moved from Thornburn School to the present building. The enrollment has increased to the current one thousand students. The administration has worked hard to make this transition a smooth one.

The teachers' influence and guidance is like the line of a circle—the end can never be found. In retrospect our teachers' questions and stimulating discussions, friendly smiles, and personal interest in us will always be remembered.

Our teachers have taught us to discover the pleasure and delight which come from learning. We like the challenge and the mental gymnastics involved in mathematics, science, and the arts.

C. C. Loew, Superintendent

"There's rosemary, that's for remembrance." So Shakespeare gave a name to the Urbana High School yearbook. This year is a rather special occasion—the publication of the Fiftieth Anniversary Rosemary.

As we celebrate, may we take note that rosemary is also the emblem of fidelity and constancy. May this book through the coming years remind you of your high school years, and help keep you constant in your quest for further knowledge and wisdom. Good wishes go to you for the coming years.

Seniors of 1960, you will be the last class to graduate from a four-year Urbana High School. In September 1960 the Urbana High School will be a three-year school consisting of sophomores, juniors, and seniors. Since you entered Urbana High School four years ago, the enrollment has increased about thirty percent.

This 1960 Rosemary chronicles another year of superior accomplishment. Under the guidance of a superior faculty, academic achievements, athletic exploits, and musical triumphs reached a new high. The student council has provided outstanding leadership, the Echo has had an unusually good year, and the Rosemary is expected to be an outstanding yearbook. All of these factors and a host of others have combined to make 1959-1960 a memorable year.

Seniors of 1960, I hope that your graduation will be merely an important step in your progress toward desirable goals, and that you may enjoy the benefits of a long, happy, and worthwhile life.

No matter what you needed in 1910, you could be sure to find it at the general store. Today, supermarkets have replaced the general store. Another innovation is the drive-in. People need never leave their cars in order to eat, to get their clothes cleaned, to see a show, or to deposit money in the bank.

In 1910 the greater part of advertising appeared on billboards and in magazines. Today the advertising media of television and newspapers have made it possible for the people in both the city and the country to have a knowledge of the latest products and merchandise on the market.

Time Tells the Tale

Just as classrooms and buildings have become more modern and functional, so have means and methods of producing engravings.

But hand-in-hand with modernness go tradition and experience... and fine engravings for yearbooks have been a tradition with us for 48 years.

Joyce,

Remember all the fun we have had together. And to that wonderful fellow "Rick" you brought us together. When we go on our vacation mother & father said you might get to go with us I don't know for sure tho.

But I hope so. I am so glad I meet you. I wish you all the luck in the world to a real nice girl.
